

BIG STEPS NATIONAL ACTION EDUCATOR COMMITMENT SHEET

Early education is in crisis, and we need real reform NOW!
That's why this International Women's Day on March 8, union members across have voted to take National Walk Off Action to tell the Federal Government to fund a real pay rise for educators and fix the crisis in early education.
Educators need to stand together to fight for our sector. Are you with us?

Centre Name:

Delegate/leader name:

I vote to support our centre participating in the National Walk Off Action on 8 March!
