

AUSTRALIA STOPS WHEN WE STOP!

GET READY TO TAKE NATIONAL ACTION ON 8 MARCH 2024

A majority of my colleagues have signed the *Educator Commitment Sheet*.

Any non-members have been asked to join United Workers Union.

Union members have met, agreed on a plan and allocated roles (*parent communication, employer communication, liaison with other centres nearby, logistics etc*).

Our Centre Director/Parent Committee/Area Manager/Employer has been spoken to about the National Walk Off Action.

Families have been informed about the national shut-down.

Families have signed the *Family Commitment Sheet* to support us to take part in the national shut-down.

We have agreed on contingency plans and logistics for the day and transport to our local rally.

Reminder letters/emails/texts have gone out to families (*including invitations to join our rally*).

ON MARCH 8: TAKE TO THE STREETS!
